- Can you work in Sweden without the Swedish language?
- Which recruitment companies work specifically with my area of expertise?
- How can LinkedIn help my job search?

Verto Konsult AB have the answers and can offer tailormade programmes for career support and development. Our extensive network of professional contacts built up over the last 20 years means we can support job seekers by opening doors and helping to navigate around the Swedish job market.

We work in an international environment where many of our clients and consultants are expats. This means we have first-hand experience of how to establish yourself successfully whether you are starting your career, already have your chosen career path or if you want a career change.

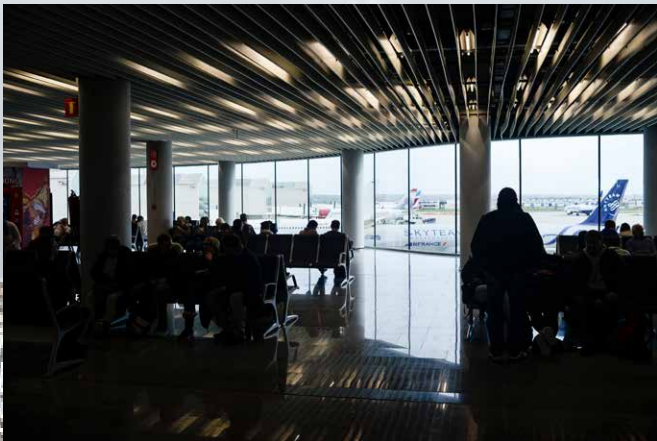

We offer support throughout the whole of Sweden in all areas related to career development including but not limited to:

- CVs, application letters, LinkedIn
- Expertise and transfer skills
- Branch specific recruitment companies
- Trends and idiosyncrasies in the Swedish job market
- Access to Verto's extensive network
- Branch related interview technique
- Access to our office in central Stockholm, Gothenburg and Lund and our career literature

We can assist you through the whole process from day one until you sign your new employment contract or simply help with checking your c.v. or application letter. Verto offers both programmes of 3 to 6 months (all inclusive) or individual meetings depending on your requirements
